What feeds us:
**Vancouver
Food Strategy**

January, 2013

CITY OF
VANCOUVER

Five goals

-  1 Support food friendly neighbourhoods
-  2 Empower residents to take action in their own neighbourhoods
-  3 Increase access to healthy, affordable, culturally diverse food
-  4 Make food a centrepiece of Vancouver's green economy
-  5 Advocate for a just and sustainable food system with partners and all levels of government
